

Happy anniversary to us!

Menarock LIFE has just reached 10 years in caring for our older citizens.

We have grown from just one home in 2007 to 10 homes across three states. For most of that time we were Menarock Aged Care Services but we recently added Life to our name, as we want all the over 500 residents of our homes to live as full a life as they can.

To celebrate our 10 years each home had a celebratory party with a birthday cakes and other treats. Residents and family members tuck in at Menarock LIFE Sherbrooke

After enjoying a morning tea with residents and their families the staff at Menarock LIFE Rosehill gathered for a celebratory snap

On our directors, Craig Holland welcomes residents and their families to our celebrations at Menarock LIFE The Gardens, Tasmania.
